

● “This Krishna consciousness movement is for the protection of brahminical culture and cows. Then automatically the peace of the world will come, if (these) two things are done.”

● “The killing of cows by human society is one of the grossest suicidal policies, and those who are anxious to cultivate the human spirit must turn their attention first toward the question of cow protection.”  
(A.C. Bhaktivedanta Swami Prabhupada, Founder Acharya ISKCON)

Cow is the source of progress and prosperity. In many ways it is superior to one's mother.  
(Mahatma Gandhi)

Cows are amongst the gentlest of breathing creatures; none show more passionate tenderness to their young

when deprived of them; and, in short, I am not ashamed to profess a deep love for these quiet creatures.  
(Thomas De Quincey, English author and intellectual)
