

INTRODUCTION

As an offering to Srila Prabhupada on this most auspicious and historical event of the GOLDEN JUBILEE of ISKCON, members of the ISKCON Daiva Varnasrama Ministry in India (IDVM-India) have pledged to present a weekly Video Interview (total of 54 for the entire year of 2016) on the subject matter of varnasrama dharma.

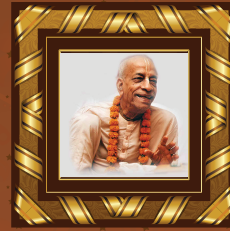

We have already published 8 such Video Interviews on our Ministry websites and have selected 6 of the major presentations for this pamphlet. Our desire is to highlight this important dimension of Srila Prabhupada's mission and we therefore humbly seek the blessings of the Vaisnavas to help us complete this pledge.

This pamphlet is especially directed to devotees who would like to share their understanding, experience and realizations about varnasrama dharma by agreeing to be interviewed and thus become part of this humble offering to please Srila Prabhupada.

On behalf of all the devotees serving under IDVM-India, thank you for your kind attention and support in this endeavor.

Yours in service to Srila Prabhupada,
RP Bhakti Raghava Swami
Minister, IDVM-India
